

Putnam competition

- The William Lowell Putnam competition is a university-level mathematics competition held annually for undergraduate students at North American universities. More information can be found at www.math.mcmaster.ca/undergraduate - follow the Putnam competition link.
- This year's competition will occur on Dec. 5. If you are interested in participating or learning more, send email to David Earn, earn@math.mcmaster.ca or Bradd Hart, hartb@mcmaster.ca
- Information regarding training sessions will be posted later.
