

**MATH 1B03: Midterm 1 - VERSION 1**

**Instructor: Adam Van Tuyl**

**Date: October 3, 2018 7:00PM**

**Duration: 75 min.**

Name: \_\_\_\_\_ ID #: \_\_\_\_\_

**Instructions:**

This test paper contains **20** multiple choice questions printed on both sides of the page. The questions are on pages 2 through 10. Scrap paper is available for rough work. **YOU ARE RESPONSIBLE FOR ENSURING THAT YOUR COPY OF THE PAPER IS COMPLETE. BRING ANY DISCREPANCIES TO THE ATTENTION OF THE INVIGILATOR.**

Select the one correct answer to each question and **ENTER THAT ANSWER INTO THE SCAN CARD PROVIDED USING AN HB PENCIL.** You are required to submit this booklet along with your answer sheet. **HOWEVER, NO MARKS WILL BE GIVEN FOR THE WORK IN THIS BOOKLET.** Only the answers on the scan card count for credit. Each question is worth 1 mark. The test is graded out of 20. There is no penalty for incorrect answers.

**NO CALCULATORS ALLOWED.**

**Computer Card Instructions:**

**IT IS YOUR RESPONSIBILITY TO ENSURE THAT THE ANSWER SHEET IS PROPERLY COMPLETED. YOUR TEST RESULTS DEPEND UPON PROPER ATTENTION TO THESE INSTRUCTIONS.**

The scanner that will read the answer sheets senses areas by their non-reflection of light. A heavy mark must be made, completely filling the circular bubble, with an HB pencil. Marks made with a pen or felt-tip marker will **NOT** be sensed. Erasures must be thorough or the scanner may still sense a mark. Do **NOT** use correction fluid.

- Print your name, student number, course name, and the date in the space provided at the top of Side 1 (red side) of the form. Then the sheet **MUST** be signed in the space marked SIGNATURE.
- Mark your student number in the space provided on the sheet on Side 1 **and fill the corresponding bubbles underneath.** Your student number **MUST** be 9 digits long. If you have a student number that is 7 digits, begin your student number with 00 (two zeroes).
- Mark only **ONE** choice (A, B, C, D, E) for each question.
- Begin answering questions using the first set of bubbles, marked "1".
