

HOMEWORK ASSIGNMENT 0

For Math 2R03, we are going to use the online system *Crowdmark*. The purpose of this assignment is to just familiarize yourself with *Crowdmark*, and how to upload your solutions. You will receive a link to the assignment via your McMaster email.

I recommend that you use a scanning app instead of taking a picture. The pdfs produced by a scanning app are easier to read.

**Exercise 1.** Draw a picture of something.

**Exercise 2.** Why are you interested in the theory of linear algebra?
